**INHALANT
AWARENESS**

**MARCH IS INHALANT
AWARENESS MONTH**

Our March PSA is now available on our web site.

Courtesy of colleagues across Indiana, more prevention events are posted on our web site.

Did you know that we host 3 other sites?

- Afternoons R.O.C.K. in Indiana
- Tobacco Retailer Inspection Program
- Indiana Problem Gambling Prevention Initiative

Check it all out at
www.drugs.indiana.edu

The Indiana Prevention Resource Center at Indiana University is funded, in part, by the Division of Mental Health and Addiction/FSSA.

NEW WEB SITE, OLD ADDRESS

Visit our new web site and see what's new at the IPRC. We have overhauled our site to bring to you one consolidated prevention calendar that includes Indiana specific events submitted by prevention practitioners from across the state. National health observances, training, and events that are related to substance abuse and gambling prevention have also been included.

Updates and Special Features

Our staff have been working

tirelessly to update resource links, drug information, and search capabilities. We have posted the IPRC's new monthly themed PSA campaign and copies of each edition of *Across Our Desks to Yours*. You will also find *In the Spotlight*, our featured prevention practitioner who was elected by a prevention practitioner from the field.

In honor of the hard work and dedication you bring to the field of substance abuse and gambling prevention, the IPRC seeks nominations from colleagues across the state for

prevention practitioners making a difference in the lives of Hoosier adolescents every day.

News, News, News

Daily news from Join Together Online is now available on our web site as a direct feed. You will soon be able to access local news from our web site and more national news feeds from other professional organization, so keep a lookout!

UPCOMING TRAININGS

Working with Indiana's Hispanic Population?

Receive training that will enable you to meet the needs of your community.

The Office for Drug & Social Policy Research (ODSPR) is currently accepting applications for the Summer Research Training Institute on Hispanic Drug Abuse. This **8 day Institute** is scheduled for June 1-8, 2004 at the

University of Houston.

The training is funded by the National Institute on Drug Abuse and the National Hispanic Science Network Summer Research Training Institute on Hispanic Drug Abuse.

Join others from across the United States who have a vested interest in preventing drug use and abuse in your community.

Visit:

www.uh.edu/odspr

Or visit the IPRC's web site at www.drugs.indiana.edu for additional information.
